Den totale ordinære kvota for 2010 er 170 dyr.

Det er tildelt ca. 10% av neste års kvote i disse utregningane

Det er som tidligere en kvote på 20 dyr med for lave vekter (skrapdyr)

I tillegg er det bestemt en tilleggskvote på 15 dyr. Disse kan de jaktfelt som har felt sin ordinære kvote søke på. Disse dyrene skal kun benyttes til felling av hodyr (produksjonsdyr) og kalv.
